Dear SAMPLE CARRIER:

Enclosed are your IFTA decals. Decals are issued in sets of two identical decals for each qualified motor vehicle. Decals are not transferable. Please see the reverse side of the decal for placement instructions. Failure to display the decals in the required location may subject the vehicle operator to a citation.

Carriers renewing credentials may operate with decals and license one month prior to the effective date shown on the license. If decals are displayed prior to the effective date, the previous year decals must also be displayed and not obscured by the new decals.

If you did not receive the required number of decals for your fleet, or if you have any questions, please call 615-399-4265 or 888-826-3151.
